Deadline for Nominations - Monday, December 17, 2018

Each year, Sport PEI invites Provincial Sport Organizations, members, and the general public to submit nominations for the Sport PEI Annual Sport Awards, which are awarded at the Annual Banquet in February.

For your benefit, we ask that you please read and adhere to the general eligibility and specific category selection criteria as explained below and complete the nomination form accordingly.

Eligibility

The intent of the Annual Sport PEI Awards is to recognize **Prince Edward Island** athletes, officials, coaches and administrators, regardless of whether they are training and competing in the province or off-Island. Athletes who move to PEI to compete must have resident status for at least one year.

For an athlete or team, the information given for the nominee's achievements **must be for the 2018 calendar year only.**

Information Required

Please complete the nomination form appropriate to the category.

The quality of the nomination goes a long way in helping the selection committee in understanding the accomplishments of each nominee. It also helps us to provide factual presentation for media releases and citations should the candidate be selected as a finalist or winner. The following examples are intended to help guide you in the preparation of your nomination.

- If describing a major accomplishment by an athlete or team. Please submit more than the overall result. Don't just say - "Won the Atlantic Championship".
- Provide scores, details of competition preceding the final event, season record, league/club performance, progressing through the championship tournament or playoff.
- Also indicate any other awards or recognition attained (i.e. MVP, top scorer, etc.).

- Other information of value could include - retaining title, defeating previous or defending champion, win-loss record, etc. Consideration will be given to dedication and commitment to training.
