SPORT PEI – EXTERNAL SPORT CREDIT PROGRAM (ESCP)

INFORMATION PACKAGE

“Completing the External Sport Credit was a rewarding experience that recognized my participation in Ringette at the Canada Games level.

It reflected the level of commitment, discipline, and time management required to compete at the high-performance level while also managing academic expectations.”

- Dayna Dingwell

OVERVIEW

The External Sport Credit Program (ESCP) gives eligible student athletes the opportunity to earn graduation credits for approved athletes in grades 10, 11 or 12.

While described as a sport credit, it is an educational credit and therefore, learning is emphasized throughout the entire process of becoming a high performance athlete.

Official Title of the course

The title of the course will be SPT421T, SPT521T and SPT621T.

The Department of Education and Lifelong Learning is responsible for the External Credentials program and the Sport Credit Portion of this program is administered and monitored by Sport PEI. Only sports which are members of Sport PEI are eligible.

If you have any questions, please contact sports@sportpei.pe.ca

EXTERNAL SPORT CREDIT

1. The Athlete Application and Intake Process

The application process involves submitting an application through the [External Sport Credit website](#). The student-athlete will be informed of his/her opportunity to obtain an external credit after review.

2. Meet with Sport PEI

After being approved, students will have a zoom meeting with Sport PEI staff to review what is required in their sport-folio.

3. The Sport-Folio

The sport-folio is an organized collection of an aspiring student-athlete's progressions and is a focal of student achievements that exhibits to others the direct evidence of their efforts, accomplishments, growth, and potential.

Each student-athlete must submit their individual sport-folios to the External Sport Credit Committee for evaluation. Students will PREPARE the sport-folio with the following pieces using Sport PEI's Google Classroom, which requires a personal Gmail account.

- Sport eLearning
- Goal Setting and Objectives
- Training Hours
- Personal Brand Statement
- Reference Letters (2)
- Visual Presentation

Student-athletes are encouraged to ask for feedback and guidance during the completion of their External Sport Credit when needed.
